

Adwood Nail Shelving Line

Heavy Duty Construction with high weight per shelf capacity.

Adwood Flat Shelving Line

Super compact design allows for more units in the same space on the retail shelf compared to nailed product and less cost in shipping.

Adwood Work Bench

Tough design with cross bracing and 2x6 top makes it a super durable workbench at a super low price.

Adwood Picnic Table

Knock down design offers superior value to the customer but is still quick to assemble.

Adwood Sawhorses

Both pre-assembled and knock down items are available. Knock down offers huge shipping savings from pre-assembled.

Adwood Lumber Products

Manufacturers of random length 1x1, 1x2, 1x3, 1x4, 2x2, dog ear fencing and s4s 1x6 fencing in any grade or pack size. Half packing and mini bundling services are available as required.
